- 1** 1993 Mack CH613 Dump Truck 1993 Mack CH613 Dump Truck  
VIN: 1M2AA12YXPW020415  
Manufacturer: Mack  
Model: CH613 (CH Series / Series 600)  
Model Year: 1993  
Manufactured In: United States  
Assembly Plant: Winnsboro, South Carolina  
Odometer: 61,843 miles showing (odometer has rolled over – actual mileage unknown)

Powertrain & Chassis

- Mack E7-300 Diesel Engine
- 300 Horsepower
- 728 CID (approx. 12.0L) Displacement
- 6-Cylinder, Mechanical Fuel Injection (Pre-Emissions)
- Engine Serial No.: 2P0829
- Eaton Fuller 9-Speed Manual Transmission
- Air Brake System
- GVWR: Class 8 (33,001 lbs. and over)

Dump Bed

- Approx. 15 ft. long
- Approx. 46 in. sidewalls
- Approx. 8 ft. wide

Buyer Information

This truck runs and operates and shows normal wear and tear consistent with age and use. The odometer currently shows 61,843 miles; however, the odometer has rolled over, and actual mileage is unknown.

In-person inspection is strongly encouraged so bidders may fully satisfy themselves as to condition, features, and suitability prior to bidding.

Important Auction Terms

All information is believed to be accurate but not guaranteed. This item sells AS-IS, WHERE-IS, with no warranties or guarantees, expressed or implied. Buyer is responsible for verifying condition, measurements, specifications, and suitability

**Russel Brown Construction LLC. Retirement Auction - Little R 1/13/2026-2/11/2026**

---

This unit would be ideal for a buyer seeking a working machine rather than a low-hour or cosmetic example.

In-person inspection is strongly encouraged so bidders may fully evaluate condition, wear items, and operational suitability prior to bidding.

**Important Auction Terms**

All information is believed to be accurate but not guaranteed. This item sells AS-IS, WHERE-IS, with no warranties or guarantees, expressed or implied. Buyer is responsible for verifying condition, specifications, and operational status prior to bidding.

- 
- 4** 2007 New Holland B95 Backhoe Loader 2007 New Holland B95 Backhoe Loader  
 Manufacturer: New Holland  
 Model: B95  
 Machine Type: Backhoe Loader with Front End Loader  
 Drive: 4 Wheel Drive (4WD)  
 Hours Showing: 3,829 hours

**Identification:**

"Type / Model: B95-699805781  
 "Product Identification Number (PIN): 031054986  
 "Manufacturer: CNH America LLC  
 "Country of Manufacture: Italy

**Configuration & Features**

"Front end loader bucket  
 "Rear backhoe with digging bucket  
 "Open ROPS canopy  
 "Manual transmission (4-speed shuttle)  
 "Outriggers (could not get one of the outriggers to lower at time of cataloging)  
 "Diesel-powered (exact engine model not verified)

**Buyer Information**

This New Holland B95 backhoe loader starts, runs, and operates at the time of inspection. The machine has 3,829 hours showing and exhibits normal wear and tear consistent with age, hours, and use. Paint wear, surface rust, and cosmetic imperfections are present, as expected on a working piece of equipment.

In-person inspection is strongly encouraged so bidders may fully evaluate condition, functionality, and suitability prior to bidding.

**Important Auction Terms**

All information is believed to be accurate but not guaranteed. This item sells AS-IS, WHERE-IS, with no warranties or guarantees, expressed or implied. Buyer is responsible for verifying hours, condition, specifications, and operational status prior to bidding.

 Year Model: 2002  
 Model: TC35D  
 Machine Type: Utility Tractor  
 Front End Loader: New Holland 16LA Loader  
 Drive: 4 Wheel Drive (4WD)  
 Transmission: Shuttle Shift  
 Hours: 2,172

#### Configuration & Features

"New Holland 16LA front end loader with bucket  
 "4WD for improved traction and loader performance  
 "Shuttle shift transmission  
 "Rear 3-Point Hitch  
 "Rear PTO  
 "Agricultural rear tires  
 "Diesel powered

#### Important Equipment Note

Rotary cutter shown in photos is NOT included with this lot and will sell separately.

#### Buyer Information

The tractor starts, runs, and operates at the time of inspection and shows normal wear and tear consistent with age and use. Cosmetic wear, paint fade, and surface rust are present, as expected on a working tractor. In-person inspection is strongly encouraged so bidders may fully evaluate condition, features, and suitability prior to bidding.

#### Important Auction Terms

All information is believed to be accurate but not guaranteed. This item sells AS-IS, WHERE-IS, with no warranties or guarantees, expressed or implied. Buyer is responsible for verifying hours, specifications, and included equipment prior to bidding.

- 6** 6' 3-Point Hitch Rotary Cutter / Brush Hog 6ft. 3-Point Hitch Rotary Cutter / Brush Hog  
 Machine Type: Tractor-Mounted Rotary Cutter  
 Mounting: 3-Point Hitch  
 Width: 6'  
 PTO Driven: Yes  
 Rear Support: Tail wheel  
 Color: Red

#### Buyer Information

The cutter shows normal wear and tear consistent with age and use, including paint wear and

surface rust, but appears to be a solid, usable implement for pasture maintenance, land clearing, and general farm use.

In-person inspection is strongly encouraged so bidders may verify size, condition, PTO compatibility, and suitability for their tractor prior to bidding.

#### Important Auction Terms

All information is believed to be accurate but not guaranteed. This item sells AS-IS, WHERE-IS, with no warranties or guarantees, expressed or implied. Buyer is responsible for verifying dimensions, PTO compatibility, and overall condition prior to bidding.

### 7 2008 Caterpillar 305C CR Mini Excavator Caterpillar 305C CR Mini Excavator

"Manufacturer: Caterpillar  
 "Model: 305C CR (Compact Radius)  
 "Series: C-Series  
 "Product Identification Number (PIN): CAT0305CCHWJ02848  
 "Country of Manufacture: Japan  
 "Estimated Year: Approx. 2008-2009 (buyer to verify)  
 Hours  
 "Approximately 4,727 hours showing on the hour meter at time of cataloging  
 Engine & Drivetrain

"Caterpillar C2.4 diesel engine  
 "Approx. 40 HP  
 "Liquid cooled  
 "Pre-Tier 4 emissions (no DEF / no DPF)  
 "2-speed travel

Configuration & Features

"Compact Radius (CR) design  
 "Enclosed cab  
 "Rubber tracks  
 "Front dozer blade  
 "CAT digging bucket  
 "Hydraulic thumb installed  
 "Auxiliary hydraulics  
 "Pin-on bucket

Condition

"Machine starts, runs, and operates  
 "Shows normal wear and tear consistent with age and hours  
 "Cosmetic wear and surface rust present  
 "Pins, bushings, bucket, and undercarriage show typical use

Auctioneer's Note

This is a used piece of equipment and is not represented as new or reconditioned. In-person inspection is strongly encouraged so bidders may verify condition, hours, and suitability prior to bidding.

Terms

"Sells AS-IS, WHERE-IS  
 "No warranties or guarantees, expressed or implied

- 10** 1986 Fruehauf Dry Van / Storage Trailer 1986 Fruehauf Dry Van / Storage Trailer - 28' x 8' - Roll-Up Door  
 NO TITLE - NOT ROAD READY - STORAGE USE ONLY  
 VIN / Serial No.: 2V02812GC016554  
 Make: Fruehauf  
 Model: FGG9FL128 "Carolina"  
 Year: 1986  
 Manufactured: 08/1986 - Detroit, Michigan  
 Overall Dimensions: Approx. 28' Long x 8' Wide  
 Type: Dry Van Trailer  
 Rear Door: Roll-Up Door

Trailer Specifications (Per Manufacturer Data Plate):

"GVWR: 35,000 lbs

"GAWR: 20,000 lbs

TITLE STATUS: THIS TRAILER IS SELLING WITH NO TITLE.

No title, registration, or road documentation will be provided. Buyer is solely responsible for any future title, registration, or permitting requirements if applicable.

Condition & Intended Use:

This trailer has been used strictly for stationary storage and is NOT road ready. It has been sitting for an extended period of time and exhibits heavy surface rust, corrosion, and deterioration, particularly to the undercarriage, frame components, landing gear, and rear structure, as clearly shown in photos.

The trailer will not tow and should not be considered roadworthy without significant mechanical, structural, and safety restoration. Suitable for storage use, parts, salvage, or buyers prepared to undertake a full rebuild.

IMPORTANT REMOVAL INFORMATION (READ CAREFULLY):

"Buyer must come fully equipped to rig and remove this trailer.

"Trailer is NOT towable in its current condition.

"Auctioneer's Note: The trailer's rear axles have been buried due to long-term stationary use.

Seller will pull the axles out prior to the close of the auction, however buyer remains fully responsible for all removal logistics.

"No loading assistance, equipment, or labor will be provided.

Buyer Information:

This item sells AS-IS, WHERE-IS, WITH NO TITLE, with no warranties or guarantees, expressed or implied. Buyer is responsible for verifying condition, dimensions, suitability, and all costs associated with removal.

In-person inspection is strongly encouraged prior to bidding.

- 11** 1973 Fruehauf 42' Dry Van Trailer - Swing Doors 1973 Fruehauf 42' Dry Van Trailer - Swing Doors  
 NO TITLE  
 Manufacturer: Fruehauf  
 Year: 1973  
 Model: A9-8501-42F  
 VIN / Serial No.: BLR3449-02  
 Type: Dry Van Trailer  
 Overall Length: Approx. 42'  
 Width: Approx. 8'  
 Doors: Rear swinging doors

#### Description

This is a 1973 Fruehauf dry van trailer, similar in construction and use to the other Fruehauf trailer offered in this auction, but larger in size. The trailer features a 42-foot dry van body with rear swing doors and has been used for stationary storage.

It has been sitting unused for an extended period.

The exterior and undercarriage show normal wear, corrosion, and deterioration consistent with age and prolonged outdoor storage. The trailer is not road ready and will require significant repair and restoration before any highway use.

#### Axles & Removal Information

The rear axles have been buried, however the Seller will have the axles lifted and exposed prior to the close of this auction. Despite this, the trailer will not be tow-ready, and the Buyer must come fully equipped and prepared to rig, load, and remove this item.

#### Buyer Information

This trailer may be suitable for on-site storage, conversion, or salvage, depending on buyer requirements. Buyers should not assume that this trailer can be titled or legally operated on public roadways.

#### NO TITLE - NO PAPERWORK

In-person inspection is strongly encouraged so bidders may fully evaluate condition, access, and removal requirements prior to bidding.

#### Important Auction Terms

All information is believed to be accurate but is not guaranteed. This item sells AS-IS, WHERE-IS, with no warranties or guarantees, expressed or implied. Buyer is responsible for verifying all information, condition, measurements, and specifications prior to bidding.
