

S&H Systems, Inc. Inventory Auction & Liquidation

Inventory Overview for Potential Buyers

May 2026

Equipment Condition Assessment

Excellent

90–100% of FMV

Like-new condition, never installed from Factory. Full operational capability, original components. 6 – 24 Months Aged in Inventory

Good

70–89% of FMV

Aging like-new condition, never installed from Factory. Full operational capability, original components. 24 – 48 Months Aged in Inventory

Fair

50–69% of FMV

Serviceable with some repairs needed. May require general component replacement from original Factory delivery. 36 – 60 Months Aged in Inventory

Poor / Salvage

Below 50% of FMV

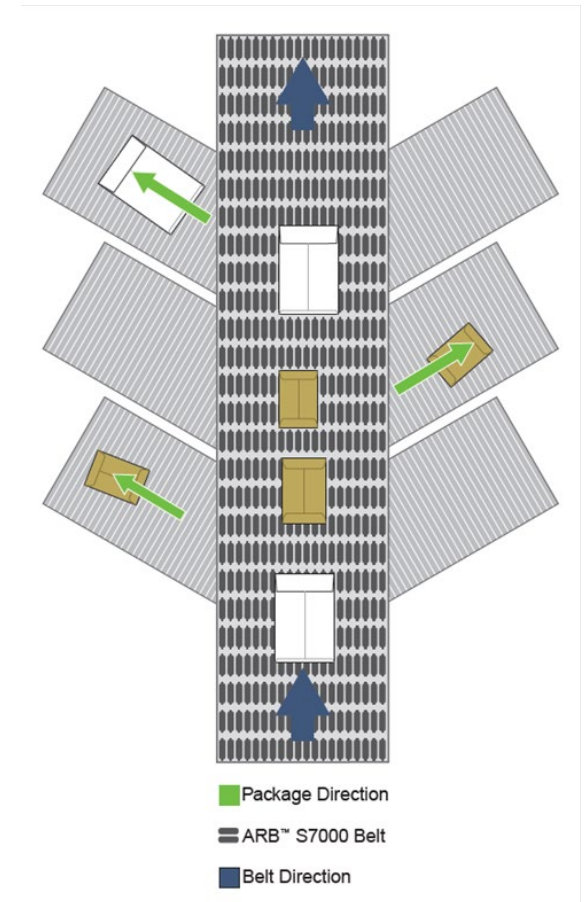

Significant wear or damage from storage. Value primarily in components, parts, or scrap material.

All equipment sold as-is, where-is. Independent inspection strongly recommended before bidding.
